

Myotis–Auriculus

Transposable elements in accessible regions

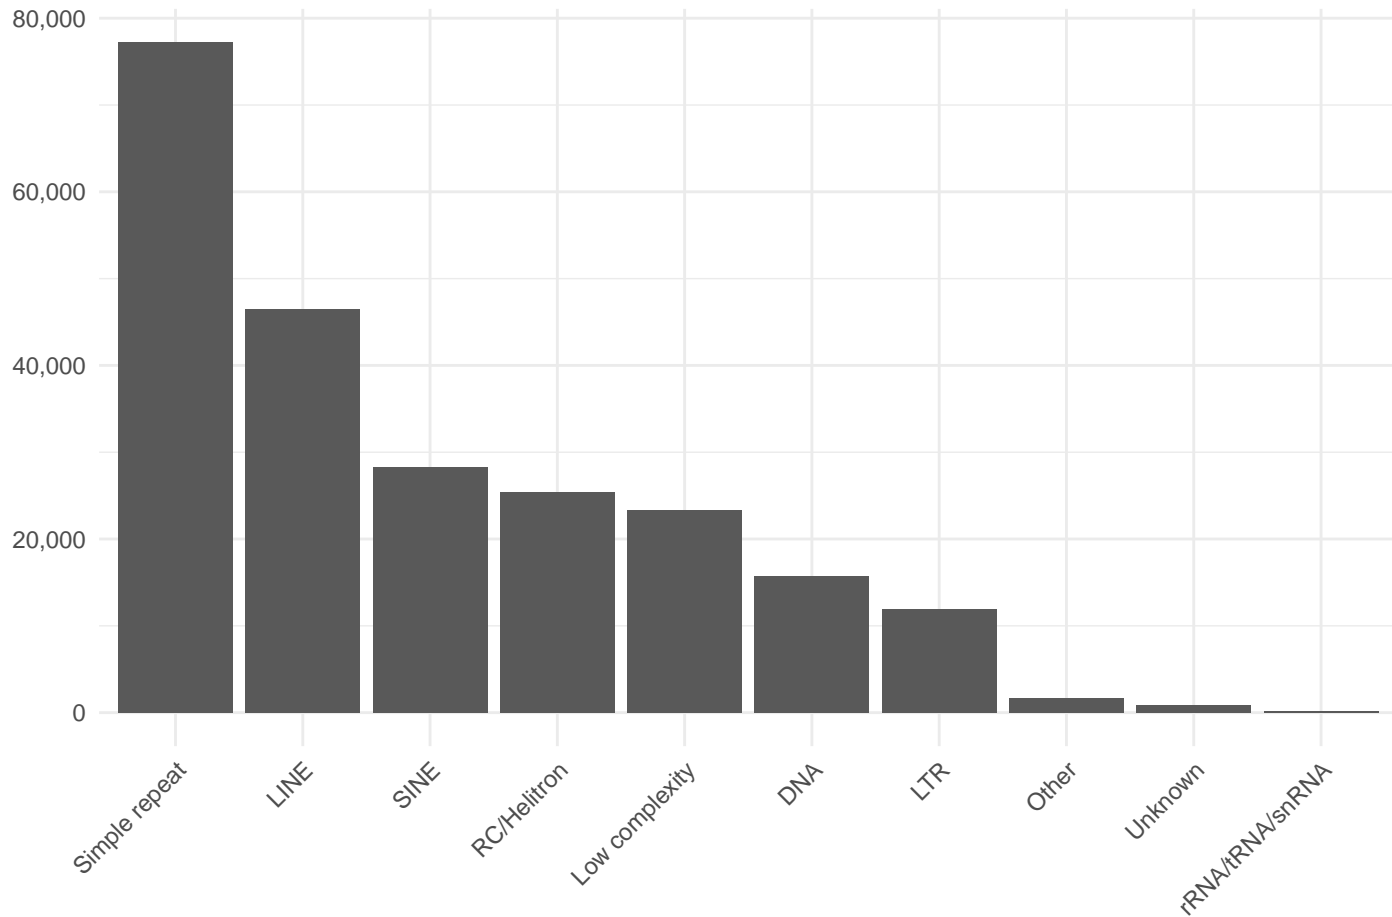

Myotis–Auriculus

DNA transposable elements in accessible regions

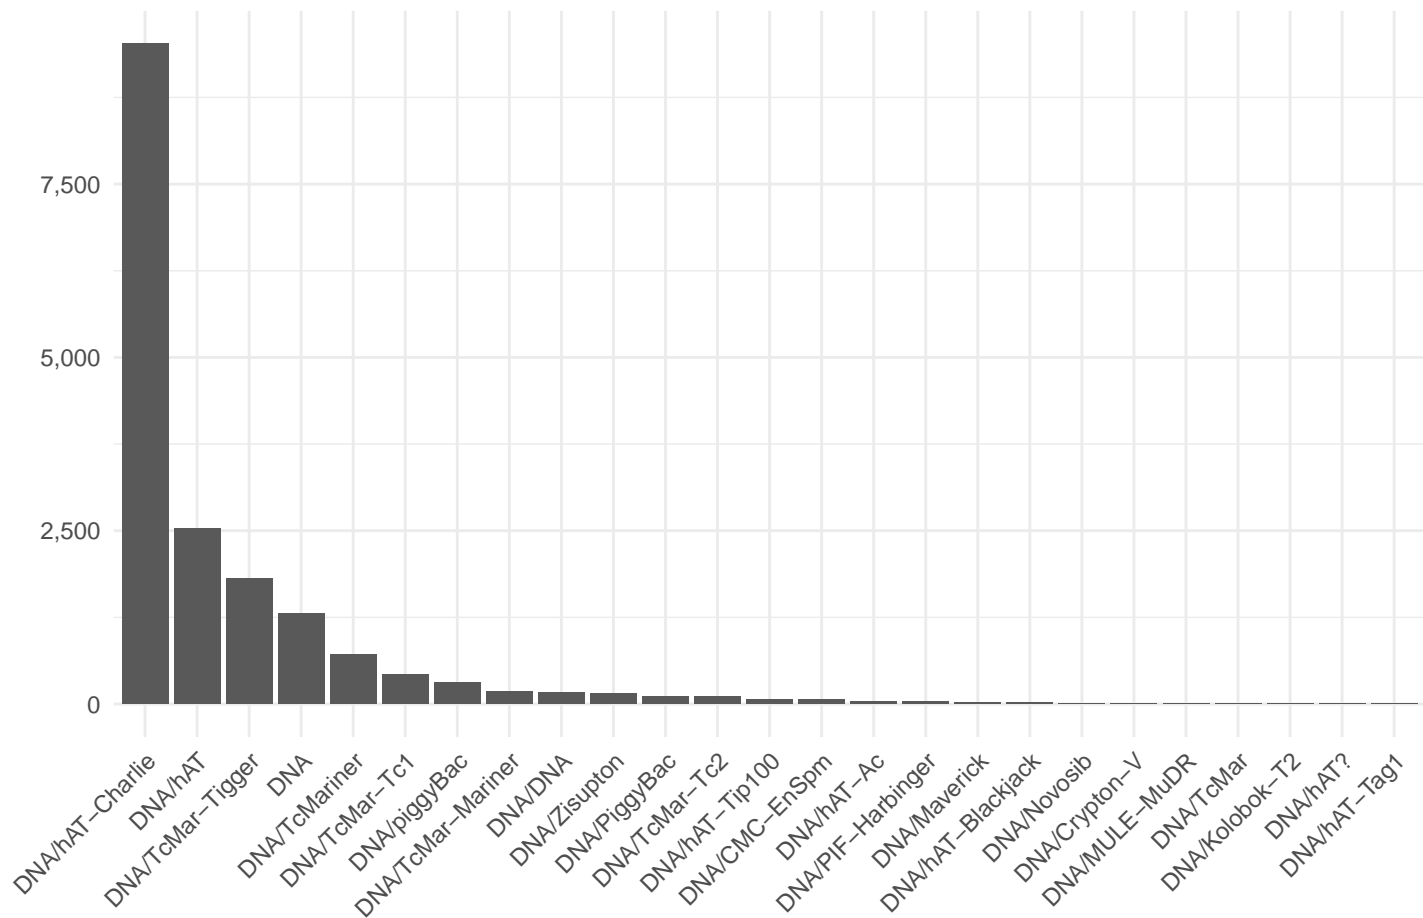

Myotis-Californicus

Transposable elements in accessible regions

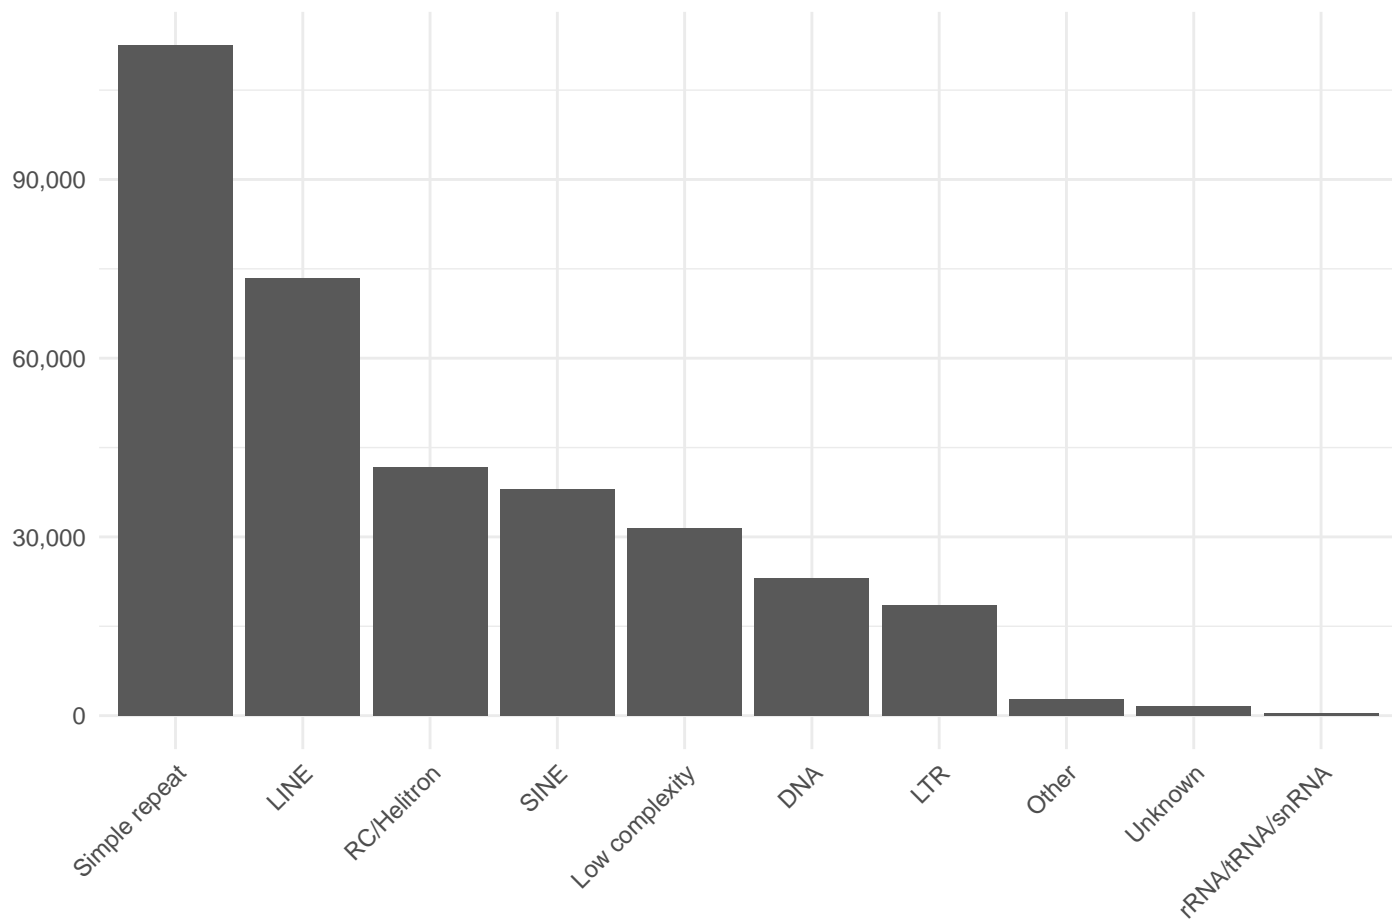

Myotis-Californicus

DNA transposable elements in accessible regions

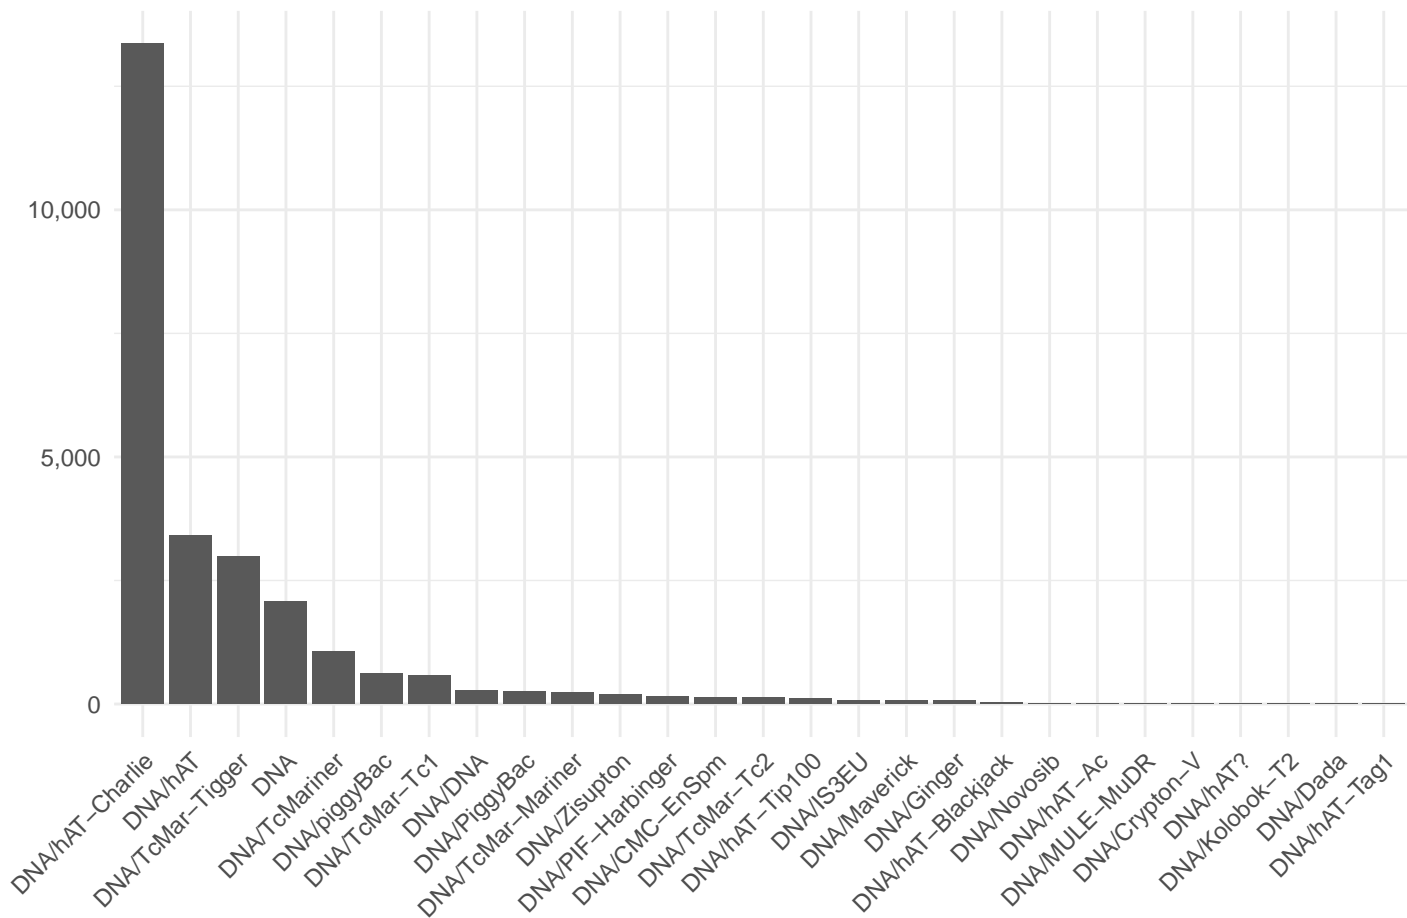

Myotis-Evotis

Transposable elements in accessible regions

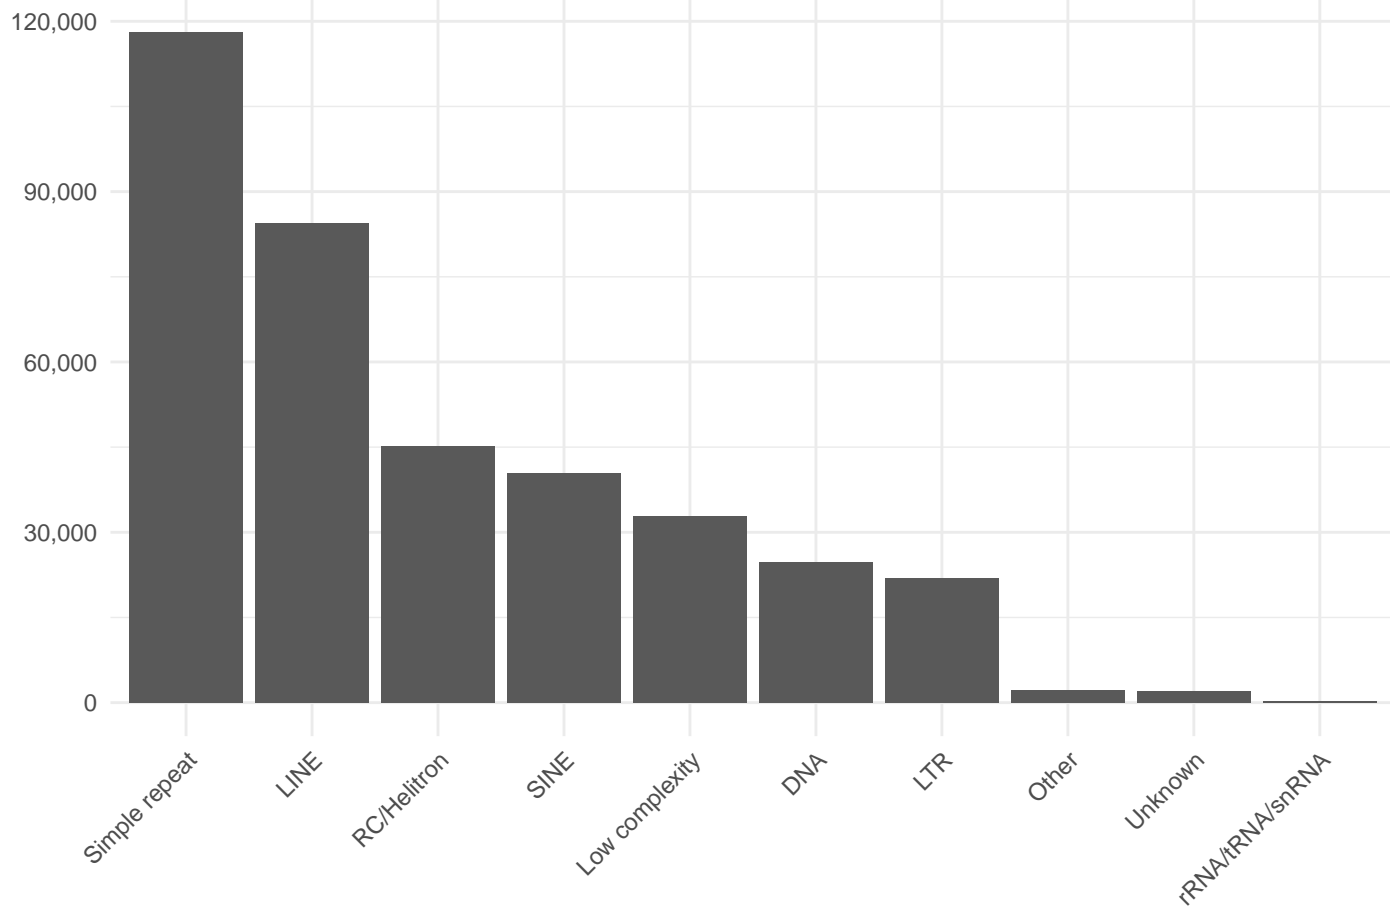

Myotis–Evotis

DNA transposable elements in accessible regions

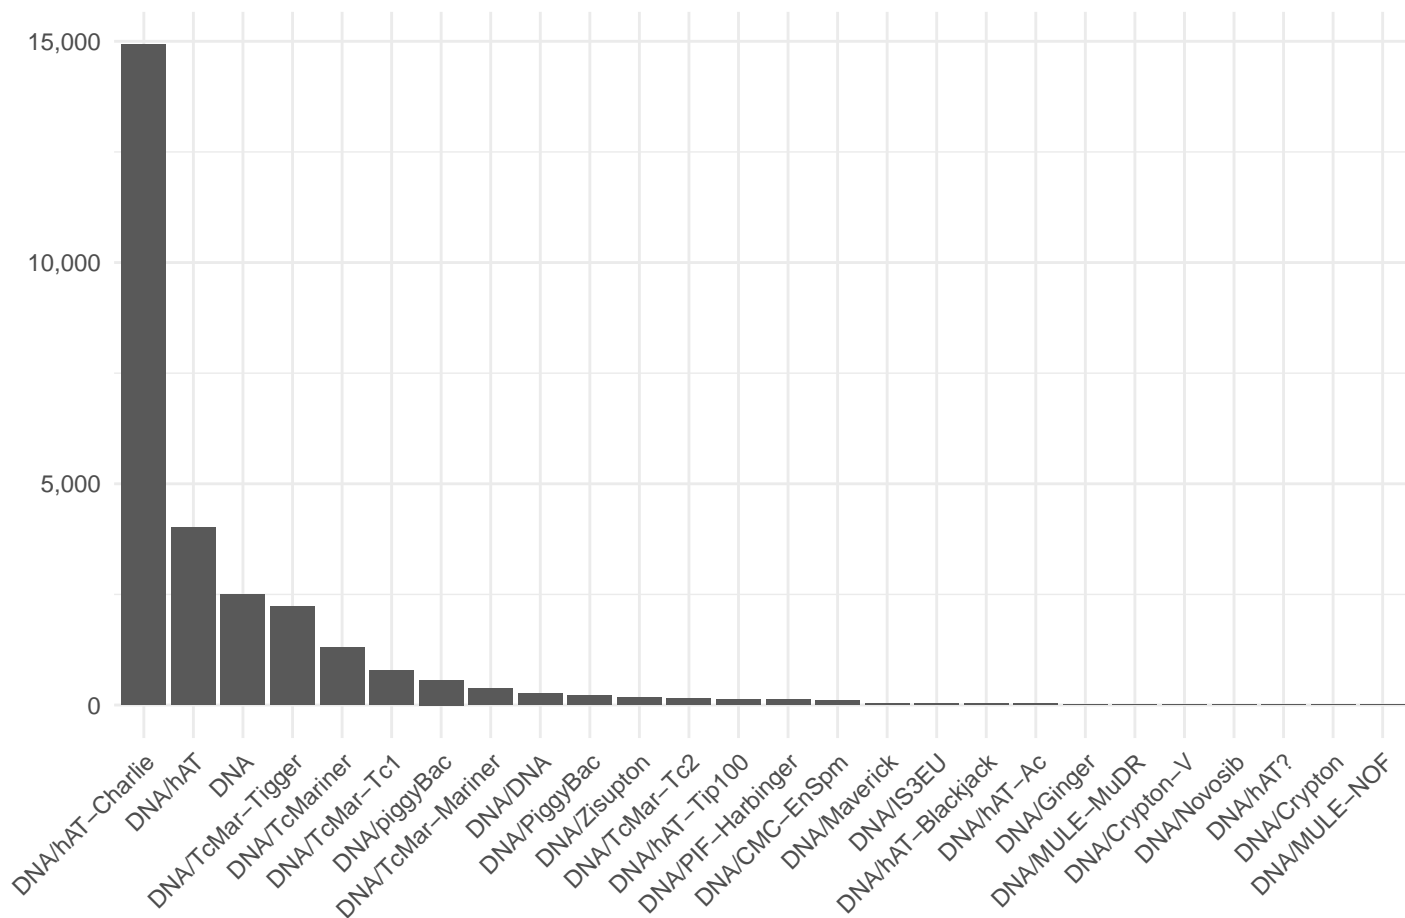

Myotis–Lucifugus

Transposable elements in accessible regions

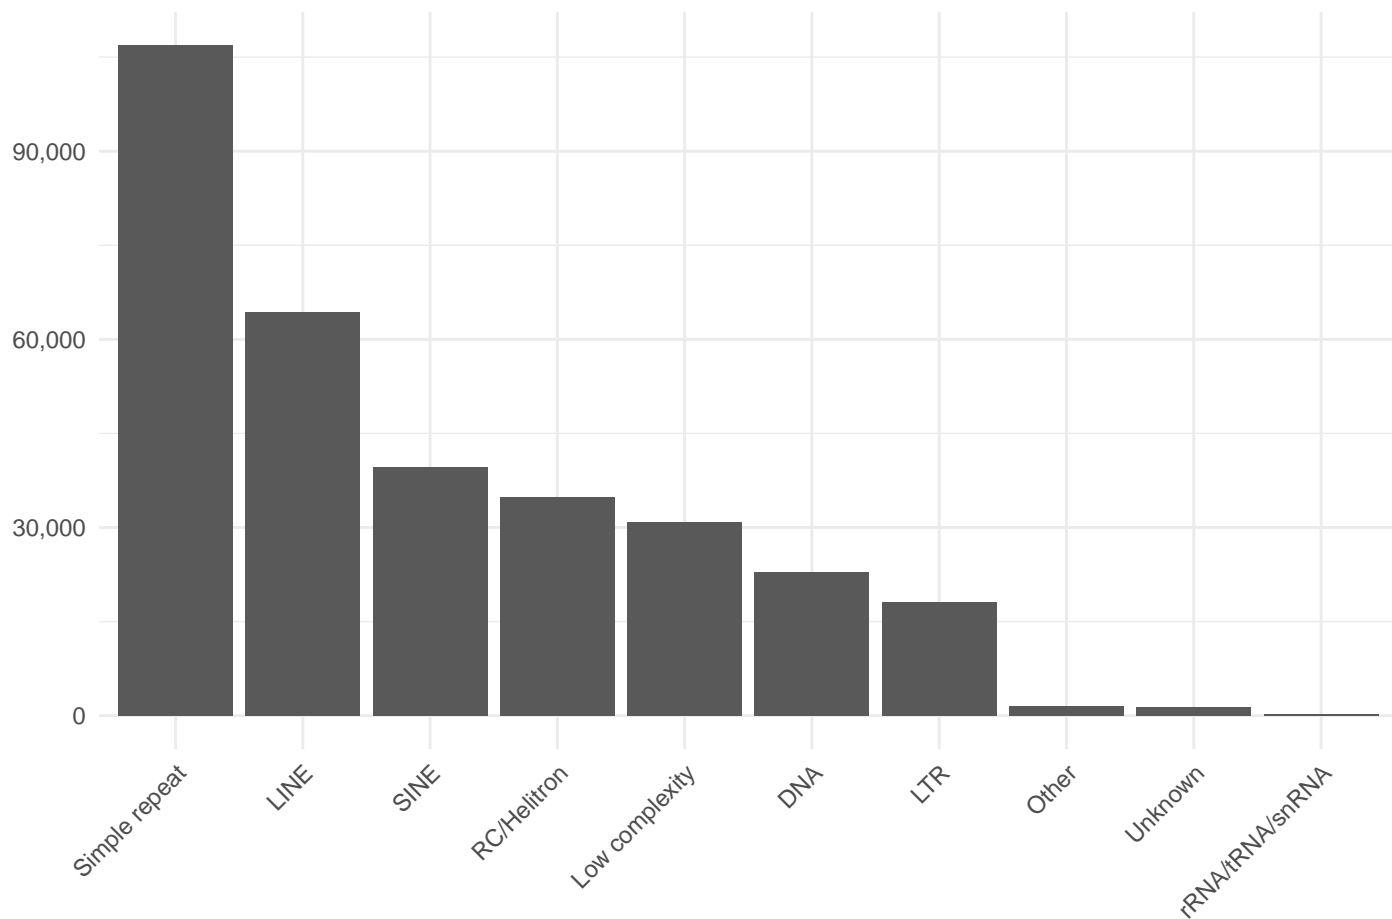

Myotis–Lucifugus

DNA transposable elements in accessible regions

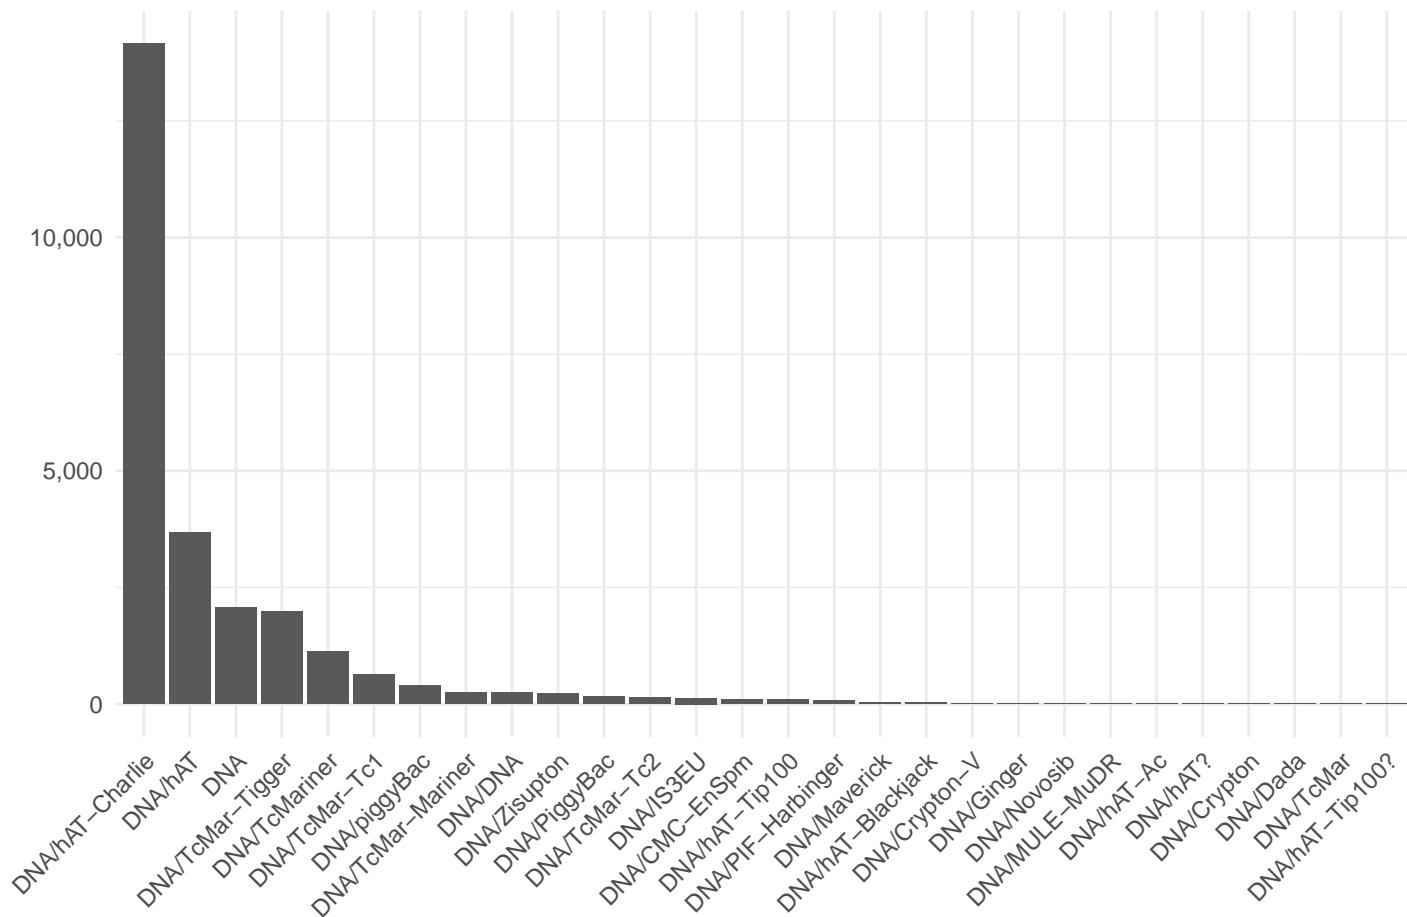

Myotis–Occultus

Transposable elements in accessible regions

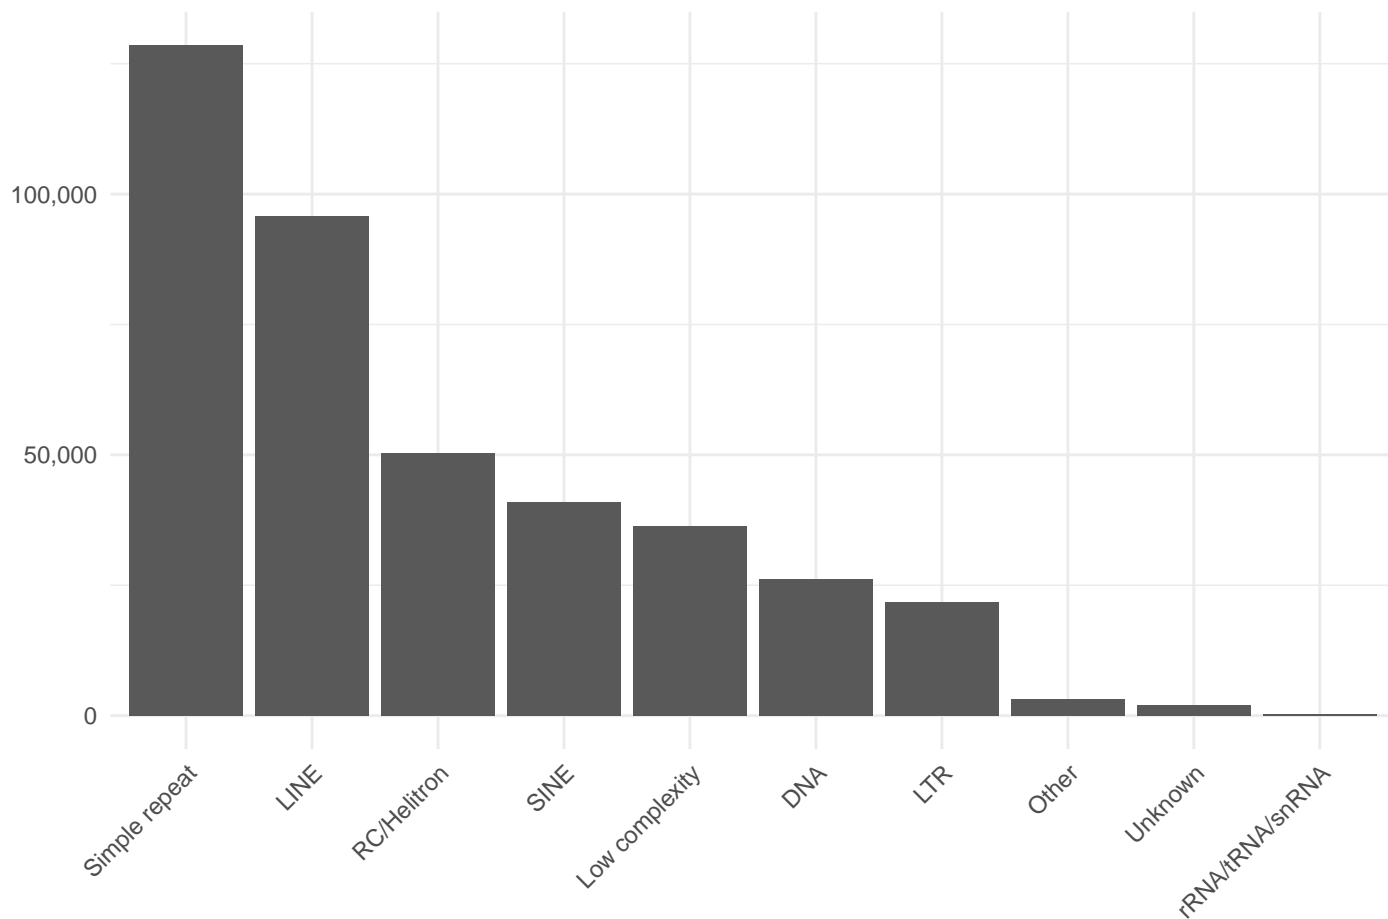

Myotis–Occultus

DNA transposable elements in accessible regions

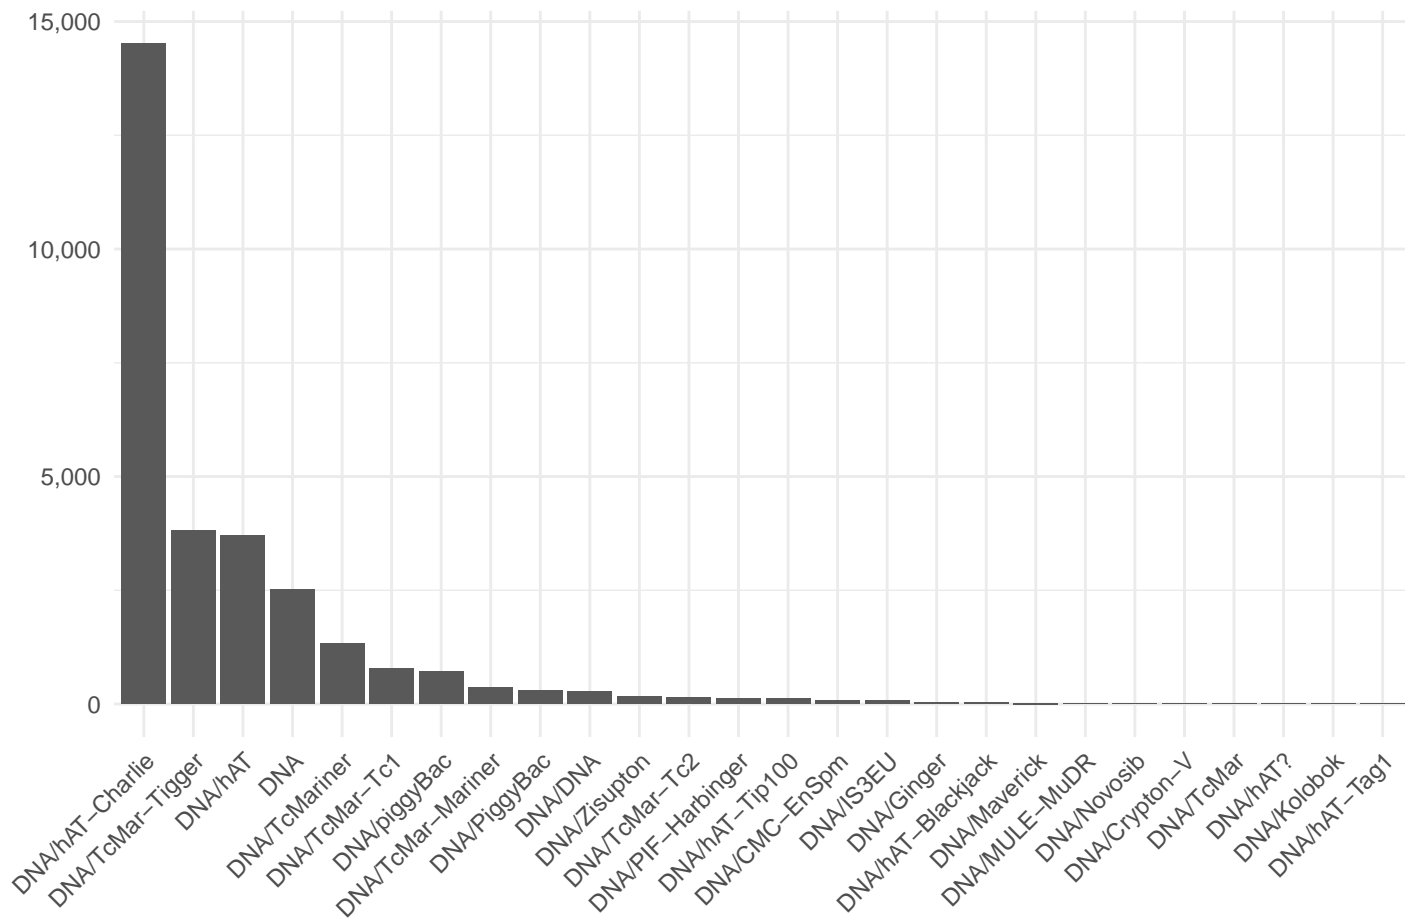

Myotis–Thysanodes

Transposable elements in accessible regions

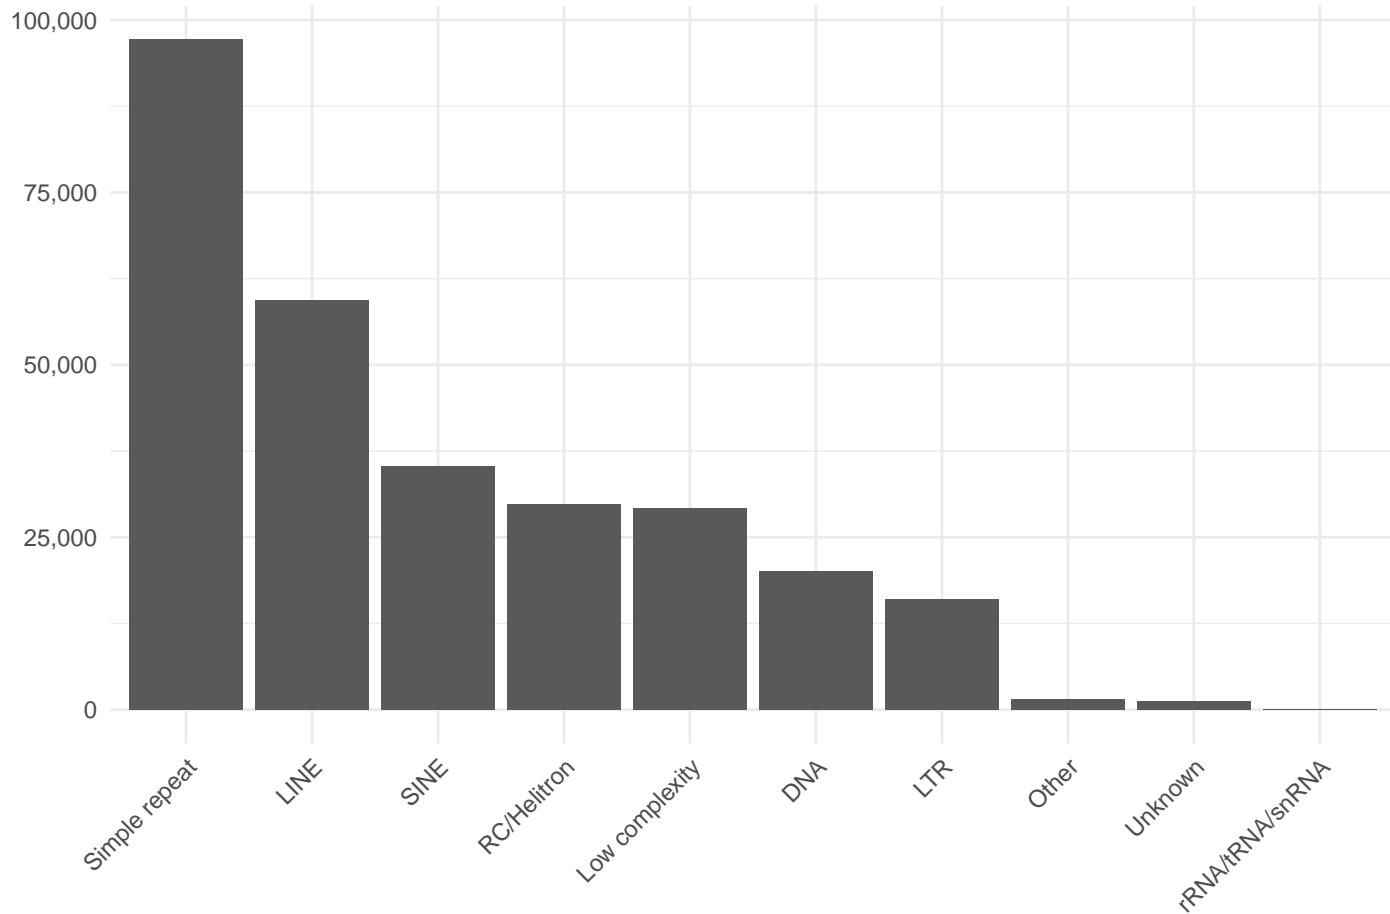

Myotis–Thysanodes

DNA transposable elements in accessible regions

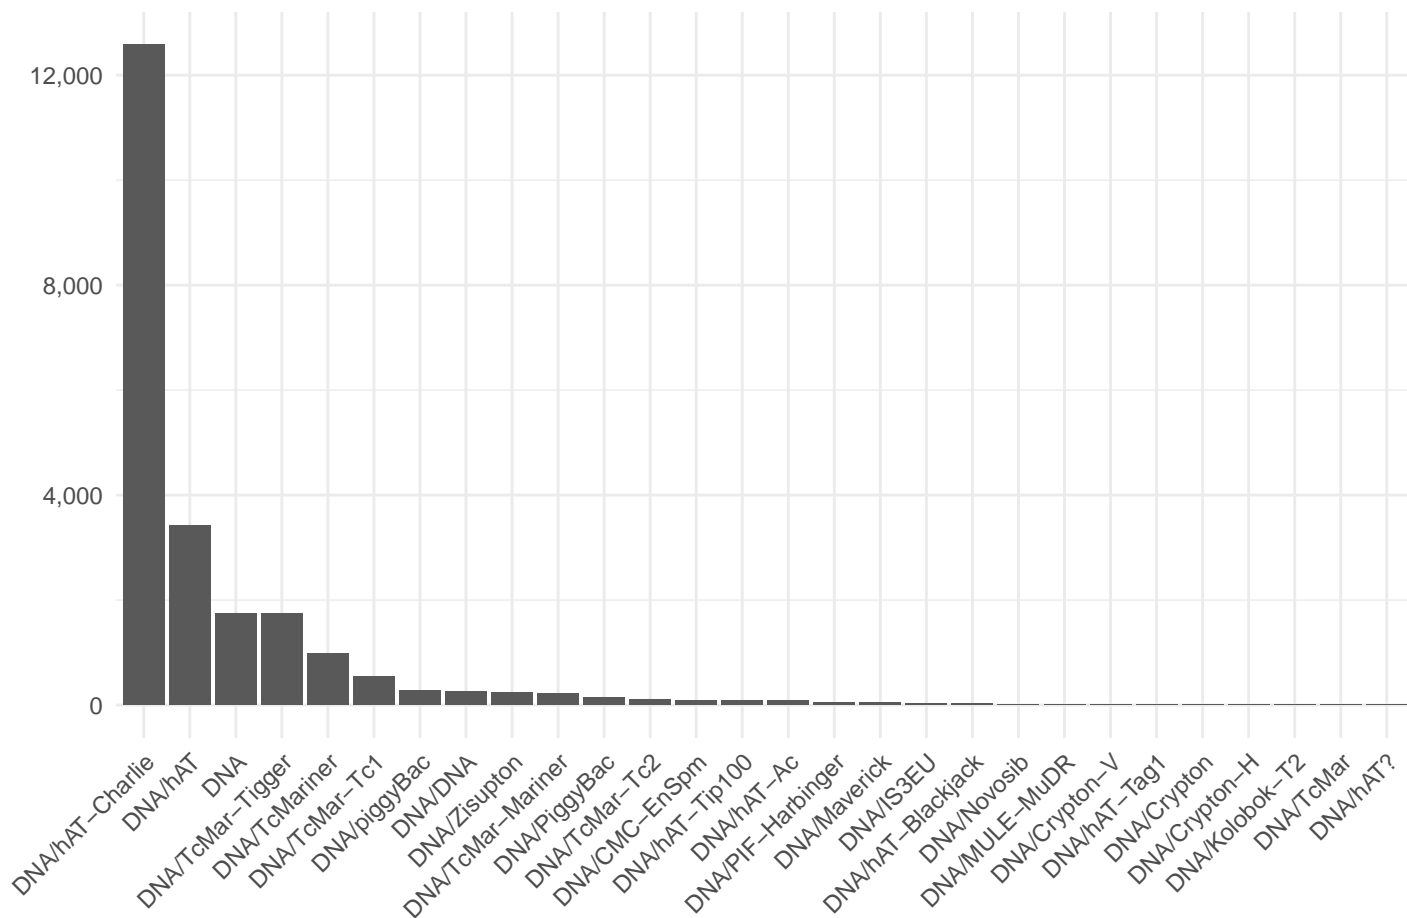

Myotis-Velifer

Transposable elements in accessible regions

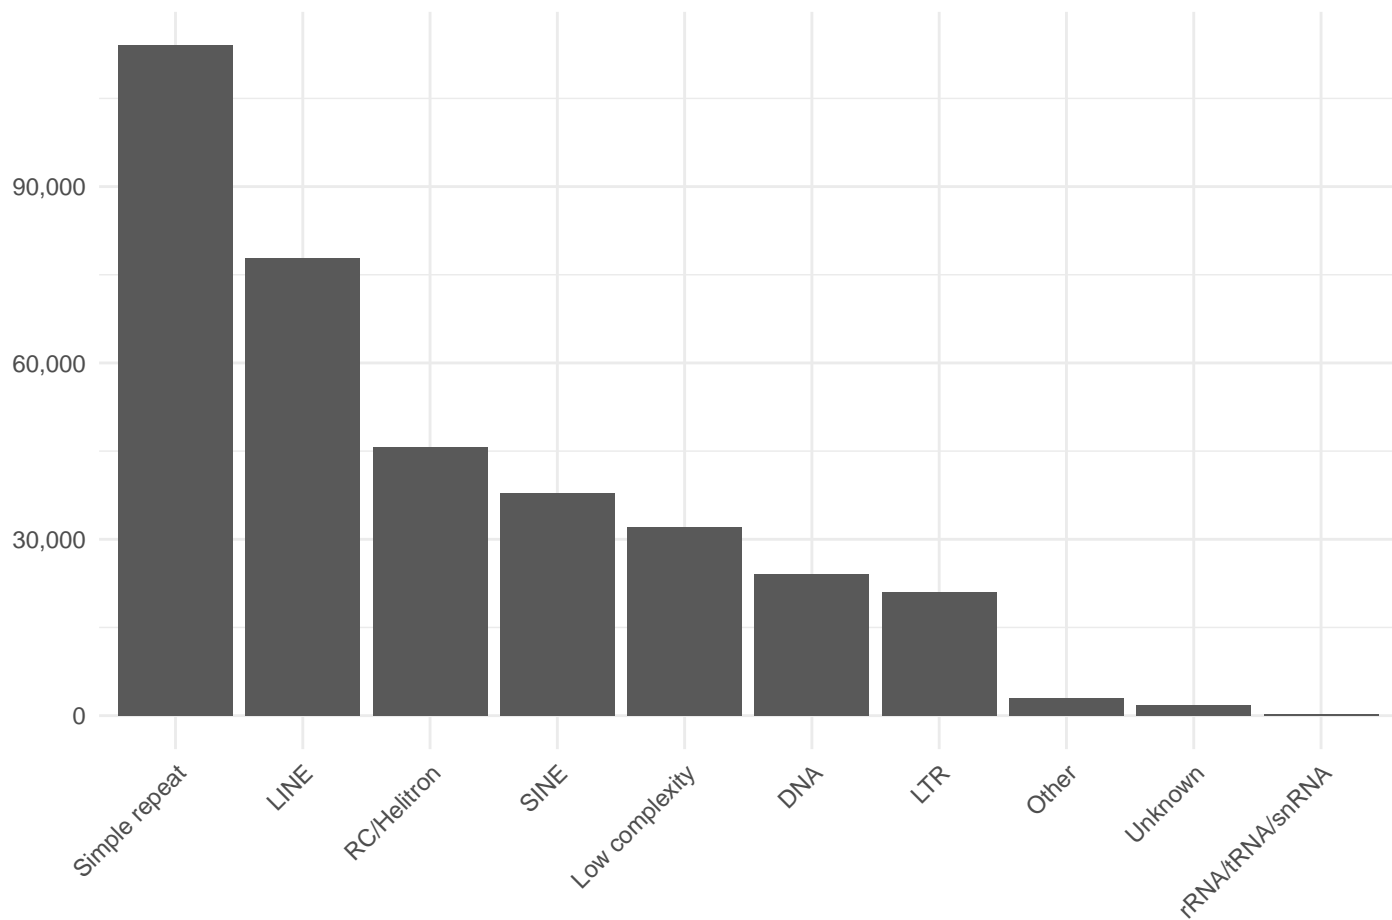

Myotis-Velifer

DNA transposable elements in accessible regions

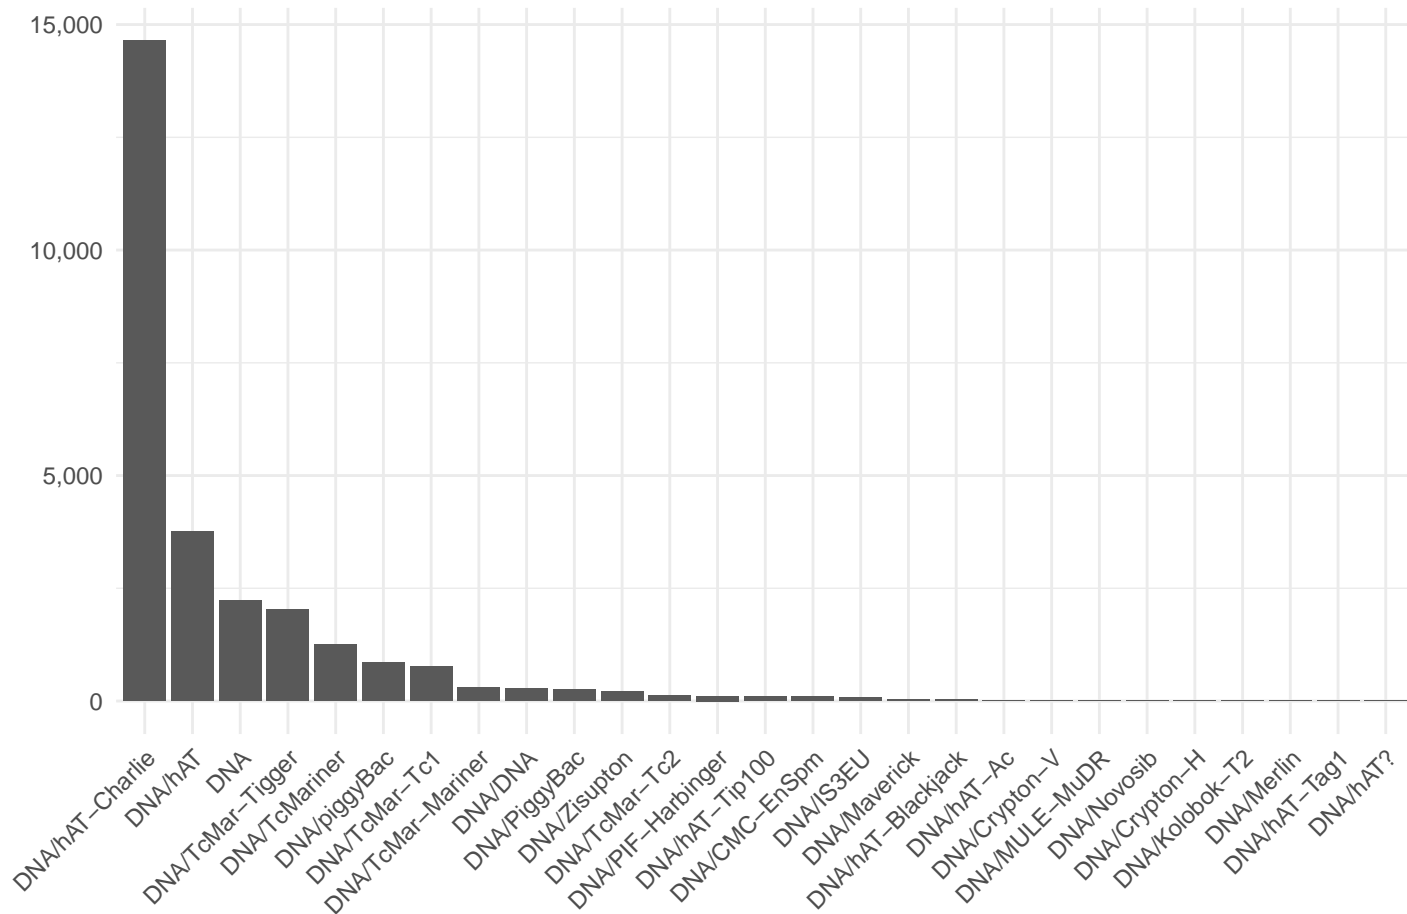

Myotis–Volans

Transposable elements in accessible regions

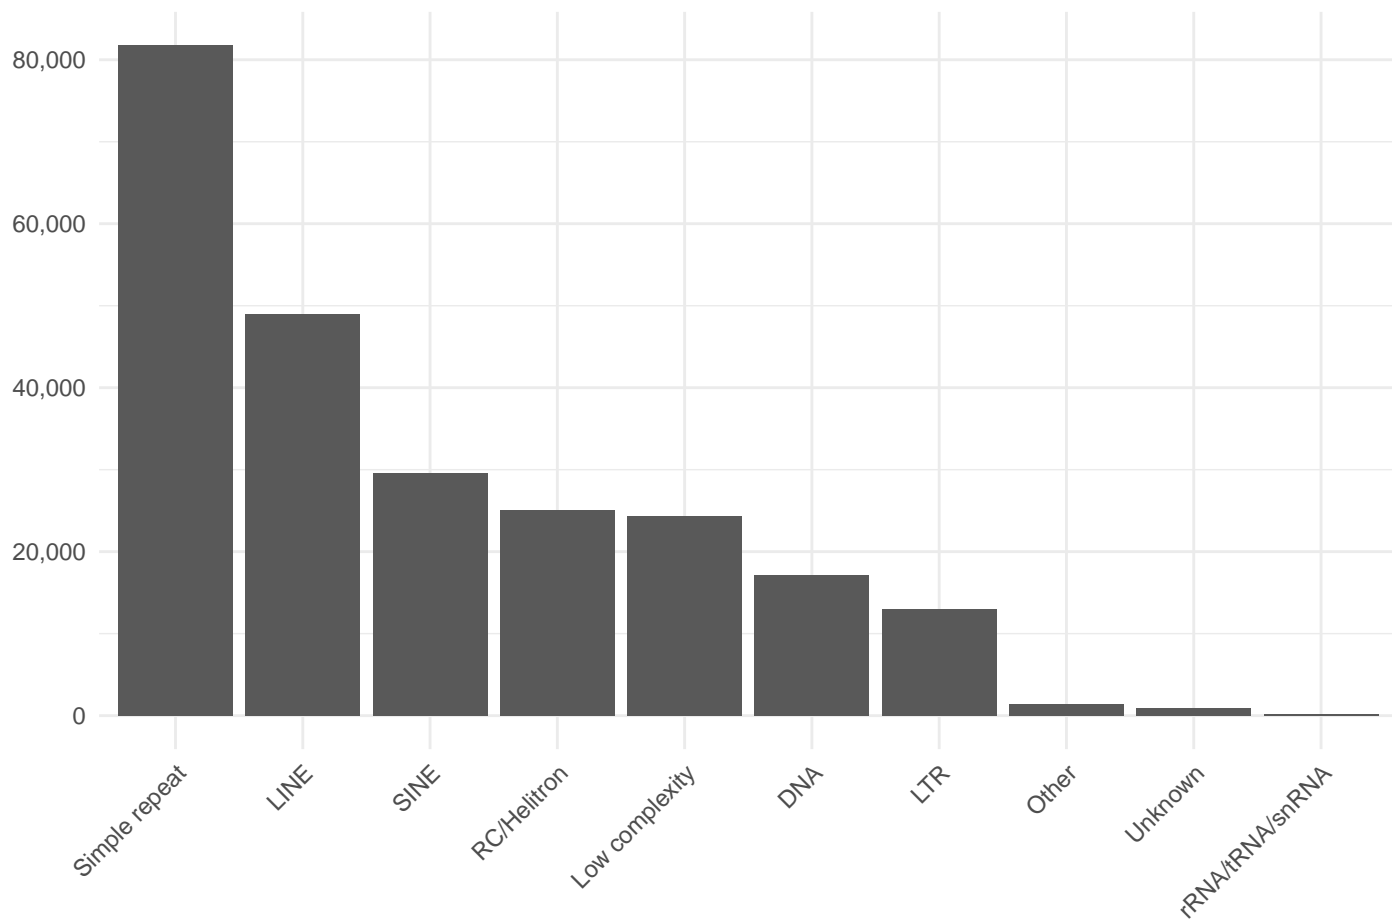

Myotis–Volans

DNA transposable elements in accessible regions

Myotis-Yumanensis

Transposable elements in accessible regions

Myotis-Yumanensis

DNA transposable elements in accessible regions
